

On any trip,
the local food lends flavor to
the travel experience.
Anan is a good city
for the epicure.

**You can taste the
spring with our ice goby,
mushrooms, rapeblossoms,
and butterbar.**

**In summer,
you can sample cucumber
or tomatoes as you
wait for the
conger to be
pulled in.**

**Fall is symbolized
by the harvest.
Along with the
freshly harvested
rice,you can have
sudachi,oranges,
carrots,and so on.
They go together
wonderfully.**

**In winter, the
lobster appear
in the regal
deep red.**

blessing

Anan is an all-seasons marine and mountain
town for adventurous travelers.
