This aerial map shows the Nakano Island area (中野島地区) and surrounding urban zones. The map is overlaid with a grid of colored polygons, primarily in shades of pink, blue, and green, which likely represent different land use or planning zones. A dashed blue line delineates a specific boundary across the map. A solid red line in the top-left corner marks the 'Urbanization Area' (市街化区域). The map also shows a large body of water at the bottom, with a bridge crossing it. The text '中野島地区' is located in the bottom-left corner, and '市街化区域' appears twice, once in the top-left and once in the bottom-right.
