This aerial map shows the Nakano Island area (中野島地区) and surrounding urban zones. The map is overlaid with a blue dashed line and various colored polygons (pink, blue, green, red) that likely represent different land use or planning zones. A pink shaded area in the top left corner is labeled '市街化区域' (Urbanization Area). A pink shaded area in the bottom right corner is also labeled '市街化区域'. The text '中野島地区' is located in the bottom left corner. The map shows a dense network of roads and buildings, with a large body of water (likely a bay or river) visible in the lower right portion.
