

This aerial map displays a rural landscape with several distinct planning zones. A large, irregularly shaped area in the center-left is filled with a pink hatched pattern and labeled '市街化区域' (Urbanization Area) in red text. This area is bordered by a solid pink line. Surrounding this central zone is a larger area enclosed by a blue dashed line. Within and around these zones, various colored patches are visible: cyan patches are scattered in the upper and middle sections; red patches are located in the lower-right and bottom-center; and yellow patches are found in the bottom-right corner. The background consists of a mosaic of brown agricultural fields, some green trees, and small clusters of buildings.
